PROCLAMATION

WHEREAS natural disasters may be beyond our control, but there are ways to reduce the risk and the impact of whatever emergency we might face;

AND WHEREAS Emergency Preparedness Week encourages Canadians to take concrete actions to be better prepared to protect themselves and their families during emergencies;

AND WHEREAS this special week is a national effort led by Public Safety Canada, provincial and territorial emergency management organizations, Indigenous organizations, non-governmental organizations, and the private sector;

AND WHEREAS by taking a few simple steps, you can become better prepared to face a range of emergencies – anytime, anywhere – and it is important to:

- Know the risks – Although the consequences of disasters can be similar, knowing the risks specific to our community and our region can help you better prepare;
- Make a plan – It will help you and your family know what to do;
- Get an emergency kit – During an emergency, we will all need some basic supplies as we may need to get by without power or tap water, so be prepared to be self-sufficient for at least 72 hours in an emergency;

AND WHEREAS more resources to help you and your family prepare for all types of emergencies can be found by visiting www.getprepared.ca;

AND WHEREAS experience has shown that individual preparedness goes a long way to help people cope better – both during and after a major disaster;

AND WHEREAS this week, the City of Dauphin encourages all residents to take concrete actions to be better prepared;

NOW, THEREFORE, WE THE COUNCIL OF
THE CITY OF DAUPHIN
DO HEREBY PROCLAIM
